153rd Reliance Bank Royal Bathurst Show -2022

Town and Country Rural Supplies once again exhibited at the **Reliance Bank Royal Bathurst Show**. The show, now in its 153rd year was a huge success and we want to thank everyone who visited our stand across the 3 days, braving the weather conditions. **We are still running some show specials, so please contact our office to find out whats on offer.**

This year the **Young Rural Achievers Competition**, sponsored by Town and Country Rural Supplies, had a record number of entrants with more than 90 students and young adults. We congratulate all the winners and look forward to seeing more participants again next year. It is so inspiring to see so many young people competing and showcasing their talents as our future leaders in agriculture.

The Young Woman Ambassador Competition (formally the Showgirl competition) was also another highlight of the show. Vicki Wilson, the competition convenor mentored the four finalists who were judged by an independant panel from Sydney and the Central West. It was a tight competition with the young woman showing leadership, courage and a passion for our region and the community. We thank the judges, Bathurst Regional Council, all our sponsors (**Bathurst AH&P, Town and Country Rural Supplies, Gorgeousness, Box Grove, Sheer Indulgence, Miles and Son, Easy Living Footwear, Macquarie Medi Spa, 2BS & B-Rock, Laurie Clare, Cityfit Fitness and the Western Advocate**) and the young women who entered. The overall winner of the competition was **Zoe Peters**, who will now enter the Zone finals. We also congratulate the runner up Charlotte Kamper, who entered for a 2nd year in a row. All four finalists gave their time during the show, presenting ribbons and awards as well as promoting the competition on 2BS and B-Rock and with the Western Advocate.
