Town & Country Rural Supplies Bathurst has restocked rat and mouse bait.

Town and Country Rural Supplies sell six different brands of rat and mouse bait, we sell the grain bait, the wax bait, the liquid and a paste. We would also like to encourage owners to be cautious of their pets eating mice as they may have consumed bait.

Senior Researcher from CSIRO Health and Biosecurity, Steve Henry presented a Mice Control workshop for landholders and the community on how to combat mice at the Molong Golf Club on 14 May 2021, the presentation was recorded and can be found here: <https://www.youtube.com/watch?v=ZupQwzWyEAK>
